

Dyno test proves that Uni Filter's produce more horsepower and more torque than any other air filter.

INDEPENDENT DYNO TEST PERFORMED BY TOM MORGAN RACING 04.23.01

No wonder they're used by the best racers on earth.

Uni Filter's "Ultra Seal," Filter Oil and Filter Cleaner – a winning combination.

Wanna be fast like these champions? You need to start with Uni Filter's unique two stage air filter. The only air filter that comes apart for maximum airflow and ultimate cleaning. Other air filters are bonded or laminated together. This decreases airflow and makes complete cleaning impossible! Get the best. Get a Uni! Used by: Team McGrath, Team Kawasaki, Team Yamaha, Team Blackfoot, Team Planet Honda, and many more. Uni Filter is also the original equipment manufacturer (OEM) for: American Honda, Arctic Cat, Bombardier, Cannondale, Harley Davidson, Polaris and Yamaha.
