

CARDO SYNC

STAY CONNECTED. STAY AWARE.

Connect with your group, your music and your phone on-the-go.

Enjoy crystal-clear conversations and premium sound quality, all in a light and slim design that won't weigh you down.

Powered by innovative Cellular Intercom technology, our app-based system allows up to 30 riders to stay connected across an unlimited range, requiring nothing more than a standard cellular signal.

Cardo Sync's open-ear design keeps you fully aware of your surroundings, offering a safe solution for your ride.

Ride smarter, safer, and stay synced with every pedal.

HANDS-FREE GROUP INTERCOM
