Technical Data Sheet

SYNTHETIC CHAIN GUARD

100% SYNTHETIC, AEROSOL CHAIN LUBRICANT

DESCRIPTION:

Full synthetic spray chain lubricant designed for all conditions (wet and dry.) Unique ester-fortified formula penetrates deeply and tenaciously clings to the surface, minimizing fling-off and ensuring the entirety of the chain remains lubricated. Maxima Synthetic Chain Guard is further reinforced with world-class additives that eliminate corrosion and noise while minimizing chain stretch and wear.

FEATURES & BENEFITS:

- Suitable for use with all chains including O, X and Z-ring
- Can be used in both wet and dry conditions
- Minimizes “fling off”, keeping equipment clean and protected
- Surface-tenacity stays in place and reduces noise
- Advanced additive chemistries prevent corrosion and reduce friction
- Extends chain life by minimizing stretch and wear

APPLICATIONS:

For use on all street & off-road driven vehicles.
