FAB-1

SPRAY-ON AIR FILTER OIL

DESCRIPTION:

High performance, synthetic based filter oil designed for all oil-type fabric and foam air filter elements. Extremely tacky blend of advanced polymers attracts and tenaciously holds on to dirt, dust and other harmful contaminants, keeping them out of the intake system. Unique and proprietary formulation forms protective barrier that keeps water and contaminants from passing through the filter while preventing “wash out” from carburetor fogging, offering ultimate engine protection.

FEATURES & BENEFITS:

- Race-proven protection, from the track to the desert
- Formulated for all foam and fabric air filters
- Tenacious polymers trap contaminants and keep them out of the intake
- Long-lasting waterproof and dustproof film will not dry out
- Quickly penetrates and absorbs into filter
- Contains no harmful CFC’s

APPLICATIONS:

For use on foam and fabric air filters. For best results, use PRO FILTER air filters and apply after thoroughly cleaning with Maxima Air Filter Cleaner.
